

Auger Drives & Bits

AUGER DRIVE SYSTEMS: Auger Drive, Hoses, Frame and Cradle

Model	Shaft	For Equipment	Accepts Bits
MD-17-20-20-H-334	2" HEX	up to 17 GPM flow	from 4" - 20"
AD-25-30-20-H-UN	2" HEX	up to 25 GPM flow	from 4" - 30"
AD-30-36-20-H-UN	2" HEX	up to 30 GPM flow	from 4" - 36"
AD-35-36-25-H-UN	2.5" HEX	up to 35 GPM flow	from 6" - 36"
AD-40-48-25-H-UN	2.5" HEX	up to 40 GPM flow	from 6" - 48"
AD-25-30-20-R-UN	2.56" RND	up to 25 GPM flow	from 4" - 30"
AD-30-36-20-R-UN	2.56" RND	up to 30 GPM flow	from 4" - 36"

Sidney Quality, Reliability & Availability:

- Competitive Pricing, Fast Delivery and Lowest Cost of Ownership
- Designed to Maximize Productivity and Reduce Maintenance

SHAFT ADAPTORS:

Part Number	From Female	To Male
SA-HX-20/RD-20	2" HEX	2.0" RND
SA-HX-20/RD-26	2" HEX	2.56" RND
SA-HX-25/HX-20	2.5" HEX	2" HEX
SA-RD-20/HX-20	2." RND	2" HEX
SA-RD-26/HX-20	2.56" RND	2" HEX

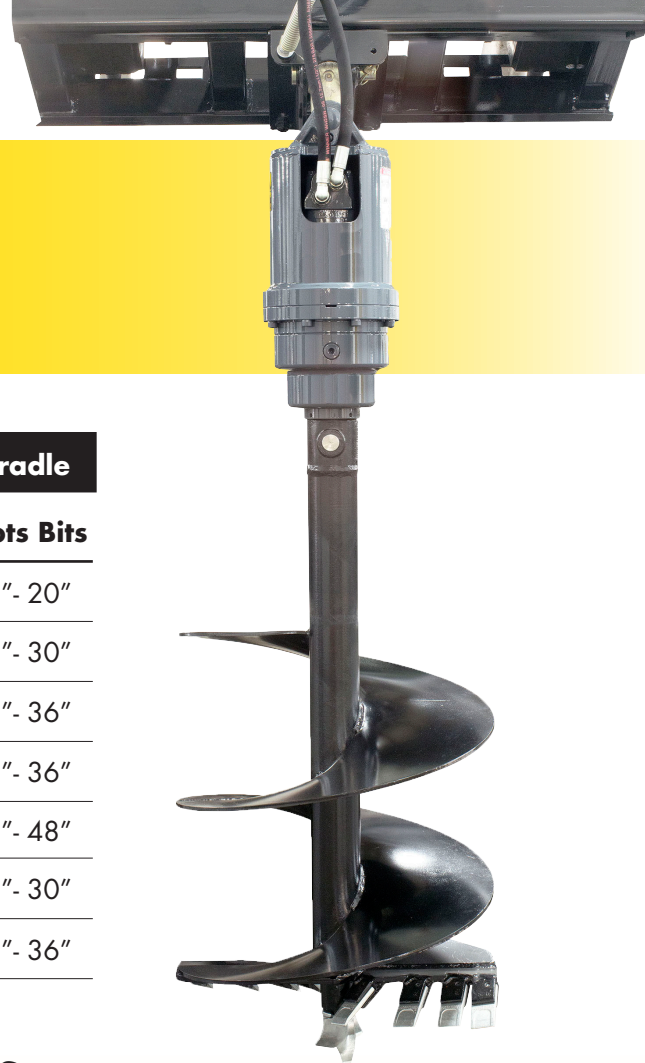

FEATURES

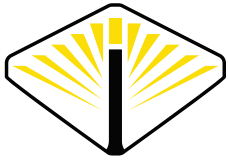

Sidney Drives are available in 2" and 2.5" HEX plus 2.56" Round diameters. High torque models are available to meet tough applications

- Designed for both Low Flow and High Flow Applications from 7 - 40 GPM
- Provide from 600 - 6,000 ft. lbs. of Torque
- Hydraulic Drive Motors use sealed Planetary reduction gearboxes
- Custom hitches and various mounts are available for most applications
- Drives use single piece shaft assemblies locked into the housing
- Best Warranty in the industry:
 - Lifetime Warranty against Shaft Pullout
 - 5 Years on Gearbox
 - 2 Years on Motor

Most sizes in stock. Other sizes available upon request.

Sidney Auger Bits come in various sizes for various types of applications

- Augers are available from 4" to 48" diameter
- Extensions are available for deeper digging
- Fully welded flighting for added strength
- Augers are available for applications such as:
 - Light to moderate ground conditions as well as tree and shrub planting
 - Difficult ground conditions such as: compacted soils, heavy clay, asphalt, frozen ground and fracturable rock
 - Hard and abrasive ground: Rock Teeth and Rock Bits are available upon request for severe duty

Sidney Auger Teeth:

- Utilize a unique patented system that RESISTS tooth loss
- Include a pin and rubber insert that LOCK into place and RESIST shock fractures

CUSTOMER SUPPORT AND SERVICE

Sidney Attachments provides quality products and services designed to meet or exceed customer needs and expectations. Our experienced team is focused on supplying the right product at the right time for the right price. If you have questions about any Sidney products or services, contact the team at 866-567-9618, 913-495-4861 or visit us at info@SidneyAttachments.com
